

ToucanWin.com Income Disclosure

The ToucanWin.com Bidfluencer commission plan is an exciting opportunity that rewards you for sharing ToucanWin.com with those wanting to purchase bid packages and for helping to sponsor other potential affiliates who desire to do the same.

Although the opportunity is unlimited, individual results will vary depending on the commitment levels and sales skills of each Bidfluencer. Since ToucanWin.com has recently launched, it lacks enough statistical data to prepare reliable income disclosures. The numbers below reflect only estimates prepared by the company pending a more detailed survey to be conducted after its first twelve months of operation. Glassdoor's affiliate income statistics report states the average annual earnings for affiliate marketers is \$65,800, ranging between \$42,000 at the low end and \$83,000 at the top end. ZipRecruiter has the highest forecast for affiliate marketing passive income, at \$154,700 a year. There will certainly be participants who will earn less while others will make much more. We're excited about the ToucanWin.com Bidfluencer commission plan, and we're confident it will provide you with a solid foundation to help you achieve your financial goals.

Suppose income projections were presented to you prior to your enrolment. In that case, such projections are not necessarily representative of the income that you can or will earn through your participation as a Bidfluencer. These income projections should not be considered guarantees or projections of your actual earnings or profits. Success with ToucanWin.com results only from hard work, dedication, and leadership.
